Details of the compulsory second and additional entrance tests (which will be held by 31/10/2024 or otherwise after registration) will be published in a separate notice available from the link <https://www.consba.it/getFile.php?id=3662>

Candidates who are **successful in the entrance examinations** are included in a **ranking** ordered by score in hundredths and subordinately, in the event of a tie, by lower age age.

Enrollments will be arranged on the basis of the Institute's planning by the competent educational facilities. **Inclusion in the list of eligible students, therefore, does not alone constitute a right to enrollment.**

The start of matriculation procedures will be notified to admitted Candidates by means of publication in the News section of the website <https://www.consba.it>

Possible enrollment for candidates for admission to Level I (three-year) academic courses who have obtained a grade between 50 and 59 hundredths is subject to the fulfillment of the additional educational obligations noted by the Examination Committee in the course of conducting of the I test pertaining to the discipline characterizing the course.

The findings related to the additional educational obligations attributed by the Examination Committee in the context of the conduct of the Second Test afferent to the skills of Theory, Rhythmic and Musical Perception and Score Reading. Enrollment in single courses goes in the queue for courses that provide for the award of the Academic Diploma.

All candidates are included in the rankings subject to verification that they meet the requirements of admission.

The Administration, at any time, may order, by way of self-protection, the exclusion of candidates who do not meet the aforementioned admission requirements. For further clarification, please contact the Education Secretariat through the e-mail address iscrizioni@consba.it
